EBSCOhost es una poderosa herramienta de referencia en línea que ofrece una variedad de bases de datos de texto completo y bases de datos reconocidas de renombrados proveedores de información. En este tutorial, veremos cómo realizar búsquedas en EBSCOhost, así como las características que incluyen: la lista de resultados, la vista previa de artículos e imágenes, y la configuración de preferencias.

Tenga en cuenta que dado que EBSCOhost es una experiencia web totalmente responsiva, puede acceder al contenido desde su dispositivo móvil con las mismas características y funcionalidades disponibles para usted en las computadoras de escritorio.

Searching: **Academic Search Complete**, [Show all](#) | [Choose Databases](#)

Search

[Search Options ▾](#) [Basic Search](#) [Advanced Search](#) [Search History](#)

La pantalla de búsqueda básica ofrece una experiencia de búsqueda simple y fácil de usar. La barra de herramientas superior ofrece características adicionales que pueden incluir un localizador de publicaciones, navegación por temas y colecciones de imágenes. Tenga en cuenta que las funcionalidades disponibles varían según las bases de datos seleccionadas.

Puede agregar o cambiar las bases de datos en las que se buscan haciendo clic en el enlace **Bases de datos (Choose Databases)**.

EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

[View A Tutorial On This Topic >>](#)

EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, [tutorials](#), and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

How to Use Help

- When the Help icon  appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon  to the right of the Find field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

Note: The recommended screen resolution for EBSCOhost is 1024 x 768.
